

## Action Battery Scrubbers

Controls are clearly marked and at the operators fingertips.

Large opening for filling solution tank.

Easy access to batteries.

Pad drive and brushes are easy to remove.

The Pristal™ scrubbers compact design makes them easy to maneuver around tight corners, and down narrow aisles.

Hard surface floors are cleaned fast, efficiently and thoroughly. They are excellent for use in schools supermarkets, shopping centers, hospitals, etc.

Rotationally molded polyethylene solution and recovery tanks and metal main frame construction are built to withstand years of professional use.

Sleek design reduces the scrubbers profile that improves operators sightline and allows for easy access to batteries for maintenance and service by qualified personnel.

Filter protects vacuum motor from damage.

Curved squeegee assembly directs the solution towards the center for more effective cleaning. The adjustable manual lift ensures the floor is left clean and dry. Squeegee blades are easy to replace.

Solution tank's large opening makes it easy to fill and recovery tank is tilted for total drainage.

Operator friendly control panel is clearly illustrated and at the operators fingertips making the scrubber easy to operate.

Additional features include protected motor/brush connections, built-in brush delay, parking brake, forward and back speed setting, easy access to circuit breakers and mechanical brush head lift.

### specifications

*Brush Speed:* 145 RPM  
*Brush Pressure:* 80 Lbs  
*Solution Tank:* 11.5 Gallons  
*Recovery Tank:* 13 Gallons  
*Vacuum Motor:* 2 Stage, 1/2 HP  
*Brush Motors:* 3/4 HP  
*Drive:* Brush Propelled  
*Batteries Requirements*  
(2) - 12 Volt 100 AMP Hour Gel  
*Includes:*  
(1) Pad Driver  
24 Volt On-Board Charger

#### **AS20B** (201979)

*Cleaning Path:* 20"  
*Rotary Brush:* One - 20"  
*Squeegee Width:* 31.5"  
*Cleaning Rate:*  
21,000 Sq Ft Per Hr, Maximum

#### **AS17B** (487694)

*Cleaning Path:* 17"  
*Rotary Brush:* One - 17"  
*Squeegee Width:* 26"  
*Cleaning Rate:*  
18,000 Sq Ft Per Hr, Maximum
